

Elafonisos

The Emerald Island of Peloponnese

Crystal Clear Waters

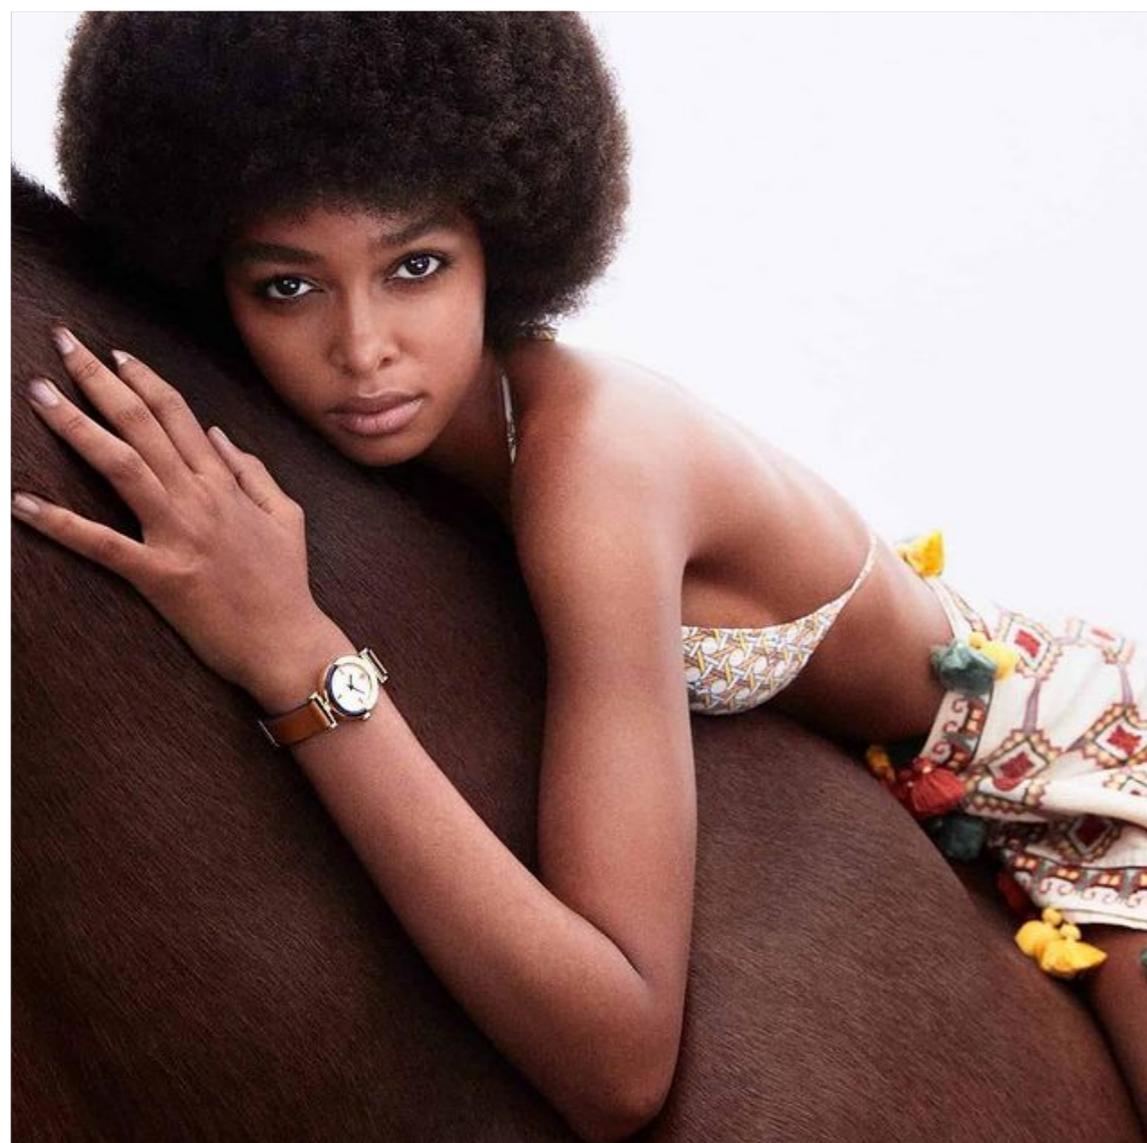

Elafonisos, is located in the southern Peloponnesse and is the ideal place for summer vacations and diving

Full of sandy beaches with emerald crystal clear waters, places to relax and taste delicious local dishes, mainly with fresh fish, fruit and vegetables, olive oil, cheese and spinach pies

The Seven Sins

There are seven sandy beaches waiting for you. The most known is Simos at the southeast side of Elafonisos, with view towards Kythera. The others are Sarakiniko, Panagia, Lefki, Kalogeras, Kontogoni, Pounta and Pavlopetri

Explore one of the most beautiful Greek islands and have an unforgettable experience.

Diving into the ... Town

Pavlopetri is world known for its oldest submerged city in the world, aged about 5 milleniums. It's a UNESCO world heritage site and rests 4 meters below sea level. A unique place for divers where they can admire its exquisite architecture and town planning
